The Sun Coast PBA is proud to announce our endorsement of the 2nd annual Wingfest at Vinoy Park in St. Petersburg, FL. This event being held on Saturday, February 5th, 2011, is now an official Sun Coast Law Enforcement Charities fundraiser with its new designation as the First Annual Bait and Yaz Memorial Wingfest.

We, along with the fallen hero's families, have chosen to endorse this event due to the extreme generosity of its promoter, USA Entertainment of Atlanta, GA and CBS Radio, along with all festival sponsors, vendors and organizers. We thank them not only for allowing this to be a fundraiser of significance, but a celebration of the lives of Sergeant Thomas Baitinger and Officer Jeffrey Yaslowitz.

It is our wish that this annual event shall serve as a continual remembrance honoring the lives of all past and future law enforcement officers whom have given the ultimate sacrifice in the line of duty within the State of Florida. We encourage all first responders, friends and family alike to come enjoy, celebrate and salute these heroes in the finest traditions of an old fashioned Irish Wake.

Proceeds from this event shall benefit the lives of the families of those that lost their lives in the line of duty, will help establish a proper memorial for all fallen St. Petersburg police officers, and to help provide purchase of additional officer safety equipment not currently budgeted for in these tough economic times.

We encourage all that can attend do so, and appreciate all support towards this most special of events. We and the officer's families thank all involved in making this the first of many successful Bait and Yaz Memorial Wingfests for years to come.

Please log onto www.BaitandYazWingfest.org or at our official website, www.SunCoastPBA.com for further information about this event and how you can donate.

On behalf of the officer's families with the deepest in gratitude,

Mark Marland
